FIREWORKS - PARADE

PARADE & FIREWORKS JULY 3rd

A parade in Mattapoisett will precede the fireworks display which is scheduled for July 3rd at 9:30 P.M. The parade route will start at the Town Hall and proceed along the waterfront along Main, Water and Beacon Streets to Ned's Point Lighthouse at Veterans' Memorial Park where the fireworks are to be set off. Marching in the parade will be The Golden Raiders and Charettes of New Bedford, the Little League, Boy and Girl Scouts, Mattapoisett Civil Defense, fire trucks, Legion color guard and the 40/8 engine. Any others who plan to join the march are asked to gather at the Town Hall in uniform between 6:30 and 6:45. The parade will start at 7 P.M. Any organization or group who would like to parade are asked to contact the committee, Dr. Clayton King, chairman; Joseph Costa, John Raphael or Al Morgado. The committee is still in the process of lining up other attractions for the march.

The fireworks display will start at about 9:30. The Ned's Point site was chosen for launching the all rocket show because it can be seen from every point in town from the village, the Neck and the beaches to the east. The show will be completely aerial so there will be no necessity for going to the launch site where there is no accommodation for crowds.

$4,400 Awarded at O. R.

Due to the continuing generous support given our Citizens' Scholarship Foundation, the Awards Committee is pleased to announce that scholarships amounting to over $4,400. were awarded to deserving youngsters from Marion, Mattapoisett and Rochester at this year's high school graduation ceremony. Since this is a community effort, the Awards Committee would like to share with you, the parents and benefactors, something of what determines our eventual choices. Three factors enter into the decision of whom should receive a scholarship. One is the actual scholarship of the student, a second is evidence of leadership qualities and responsible extra-curricula activity. The third and most heavily weighted factor is that of financial need. It should be clearly understood that financial need is not based solely on the wealth or social position of the applicant's parents. Rather it is a combination of financial resources available to the student plus an accurate assessment of his anticipated tuition and living costs. This would mean that a youngster from a moderate income family who plans to attend a large university might have greater financial need than a youngster from a

low income family who plans to attend a local state college. Since such fine determinations require considerable information, a detailed financial form is sent for parents to fill out. The Awards Committee wants to make clear that this detailed financial information is known only to the chairman of the committee. All other committee members score financial need, scholarship and leadership qualities without knowledge of the particular individual whom they are evaluating.

Awards Committee,
Mr. Vincent Pina, Mrs. Richard Wickenden, Marion; Dr. David S. Goodenough, chairman; Mr. Harry Locke, Mattapoisett; Mr. Albert Alderson, Rev. Edward White, Rochester.

was present and helped with the Junior election of officers.

Reports were given by the chairmen and the worthy master reported on the Junior finances. A letter and receipt for the donation to CARE was received.

Under new business the following officers were elected for 1967 and 1968: Mark Harris, master; Harlene Fearing, overseer; Mary Beth Breton, lecturer; Joseph Carson, steward; Mark Breton, assistant steward; Shaun Jefferson, chaplain; Robert Burbank, treasurer; Michael Mulvihill, gatekeeper; Kim McCartin, Ceres; Mary Alcobia; Pomona; Diane Whitaker, Flora; Julie Harris, lady assistant steward; Eliza Jefferson, flag bearer; Christine and Jane Carson and Paula Whitaker, executive committee. These new officers will be installed in September. Joseph Alves, who has served as lecturer for 3 years, is planning to become a member of the Subordinate Grange at a later date.

The annual Summer Penny Fair will be held on the Grange grounds August 11th. Master Harris will serve as chairman. Plans will be made by the chairman and committees at an early date. There will foods, vegetables, white elephants, rummage, comic books, cold drinks and games on sale. This has been an annual Junior event since 1952.

Other summer activities will be the Pomona Field Day July 30th in Marion when members of the Junior Grange will take part. Anyone, not a Junior member, may go by contacting Mark Harris, Mark Breton or Joseph Alves. Refreshments are sold at Washburn Park where the Field Day will be held.

Other activities of an impromptu nature may be planned.

ART EXHIBIT AT ART CENTER

Carl Nelson, artist, will have an exhibit of paintings at the Marion Art Center from July 7th to 30th. The opening is July 7th from 5 to 7 P.M. The public is invited to view these paintings during regular gallery hours.

EXAMINATION FOR WORK IN POST OFFICES

The Post Office Establishment Board, U. S. Post Office, Boston, Mass., today announced an open competitive examination for filling the position of Substitute Clerk-Carrier in the First, Second and Third Class Post Offices in Massachusetts. This examination will remain open until further notice and applicants desiring early consideration for appointment should apply at once.

The long standing requirement that you must reside in the delivery area of the Post Office for which application is made had been eliminated. Anyone may apply regardless of where he lives.

Appointments and promotions within the postal service are based upon merit and full consideration will be given to all qualified employees and applicants without regard to race, creed, color, national origin, sex, political affiliations, or any other non-merit factor.

Applicants must qualify on a written test. The starting salary is $2.64 per hour with periodic increases up to a maximum of $3.60 per hour. Working for the Post Office means job security plus many other excellent employee benefits such as paid vacation, sick leave, group life insurance and a group health insurance program with Government contributing part of the cost, also a model retirement system.

Applications may be obtained at any Post Office in the area or from the Executive Secretary, Post Office Department, Civil Service Establishment Board, Room 338, Post Office and Courthouse Building, Boston, Mass. 02109.

THURSDAY NIGHT AT THE MOVIES

The Marion Art Center's Thursday Night at the Movies, a summer silent film festival will start July 13th and run every Thursday night at the Art Center, starting at 7 P.M. The first film to be shown will be "Son of the Sheik", starring Rudolph Valentino and Vilma Banky. Piano accompaniment will be by artists to be announced later.

Mattapoisett is most happy to welcome again the Gardner family known to many year round and summer residents. It is of interest that Mr. Gardner spent the past year at the University of Pennsylvania in graduate study towards his PHD degree in Theology. Mrs. Gardner and the lively young girls will be also eagerly awaited by their many friends.

Worshippers of all faiths are welcome at St. Philip's Church. For the guidance of newcomers, the church is located on the waterfront next to the bathing beach. Services, on Sunday at 8 and 10, continue throughout the summer.

TOWN OFFICES TO BE CLOSED

Mattapoisett Town Offices will be closed Tuesday and Tuesday evening, July 4th. No regular Selectmen's meeting will be held. However, the Board will meet to sign the payroll warrants and take care of correspondence. At present, chairman of the Board, David N. Haley, is in Europe on business, and George S. "A rigid plastic pipe now on the market may be the answer to your plumbing needs be they new installation, repair or replacement. Only a solvent is used to join two pieces.

The polyvinyl chloride piping (PVC) weighs only 1/20th that of galvanized piping and is slightly lighter than copper pipe. Manufactured by Genova Products of Flint, Michigan, it offers to the handyman another versatile medium.

One word of caution, however. Check with the plumbing code authorities in your community as to its use. The requirements may vary from town to city and from state to state.

In addition to lightness, the PVC pipe is said to be corrosion proof with a high impact resistance. The material from which it is made has been used for years in chemical plants to transport concentrated sulfuric acid and strong alkaline solutions. The pipe's slight flexibility and resilience is said to take rough handling, traffic loads, backfilling, vibration and temperature changes.

The PVC pipe can be joined to your present copper pipe with a simple compression fitting - eliminating the torch, solder or flux. And an iron adapter is all you need to hook up to a galvanized pipe. To attach the PVC to an existing soil pipe, either caulking with lead or a solvent weld with male and female adapters will turn the trick.

To cut the PVC, only a tube cutter or hacksaw is required. A two-part solvent welding solution is brushed on the pipe and socket and then the two are joined with a twisting motion all ready for pressure within minutes.

Sizes of the pipe range from 1 1/2" to 4" permitting their use within an existing 2 x 4 inch wall.

Another advantage to the pipe is that there's no scale buildup to cut down the flow. Color coded red and green, you can use red pipe for your hot water and green for your cold.

The makers also claim that your condensation problems are over with this thermo-plastic pipe since the PVC is insulative in value and resists sweating. Again, they point out, the hot water in the pipe remains hot all the way to the faucet from the heater and cold water remains cold."

Boat owners will find that this product has many uses from plumbing to venting (RWT) with respect to new vent requirements.

All in all, it sounds like the answer for the home handyman with plumbing problems. This remarkable PVC pipe, fittings and solvent weld is now available at the Big 3 Hardware Store located on route 6 in Mattapoisett.

ceived $50 and will attend St. Luke's Hospital School of Nursing. Both girls were members of the National Honor Society, the Student Council and various other clubs. For hobbies they both noted sewing and sports of all kinds.

In her address Mrs. Perry noted: "Some of the main objects or functions of the Woman's Club are to promote education and public services in the community. Other objects are to make club women aware of their heritage as American citizens, promote interest in art, literature, poetry, music and drama, and to assist in the development of sound, informed, public opinion, in the fields of legislation and international relations. According to existing records, I feel Rochester Woman's Club has accomplished a great deal in regard to the previously mentioned objects. One of our main projects has been to raise money for scholarships for students to further their education beyond high school. A scholarship fund in memory of Raymond C. Hartley was established to do this and the club also in addition contributes to the Citizens' Scholarship Foundation, Old Rochester Regional Chapter, in the amount of $100 each year through the proceeds of an annual giant whist party. This fund-raising event was held this year on the past Tuesday evening, June 27th, under the chairmanship of Mrs. George Church."

Thirty-five Rochester students have benefitted from the awards since the founding of the Hartley scholarship fund. This fund is supported by Rochester residents and tradesmen who subscribe to the community birthday calendar and purchase ads that appear on it. Each year the picture on the calendar features schools, churches and points of interest in Rochester.

This year the picture is of the old grist mill and falls at Leonard's Pond at Eastover Farms. Mrs. Irving Ellis is chairman of the Scholarship Committee and her committee will soon be seeking subscriptions.

Mrs. Everett L. Hardy and Mrs. Greenwood Hartley, Sr. were co-chairmen of the very successful supper which is always well attended. Members of their committee were Mrs. Henry Smith, tickets; Mrs. Perry and Mmes. Wesley Davoll, Merton Hartley, Greenwood Hartley, Jr., Irving Ellis and Margaret Benner.

Members are looking forward to the next summer event which will be the annual social gathering and supper at the summer cottage of Mrs. Greenwood Hartley, Sr., first president of the Rochester Woman's Club, in Marion. On August 21, the annual auction will be held in the large hall. Doors will open at 7:00 P.M. Mrs. George Church and Mrs. Everett L. Hardy will be co-chairmen.

KEITH INTRODUCES BILINGUAL EDUCATION ACT

Representative Hastings Keith (R., Mass.), in recognition of the crucial need for a means of educating the hundreds of Portuguese immigrants who have come to his district since the 1965 revision of immigration regulations, last week introduced the Bilingual Education Act.

The Massachusetts Congressman, whose district includes one of the largest Portuguese communities in the country, pointed out that over 700 school-age children, who come from non-English-speaking homes, have entered the New Bedford school system since September, 1965. Superintendent of Schools, James Hayden, in an attempt to teach the rudiments of English to these children, has instituted a crash program under Title I of the Elementary and Secondary Education Act. "However," Rep. Keith explained, "more families are arriving every day, and funds and facilities have been stretched past capacity.

"The traditional method of placing these children in special, separated classes to learn English, and then throwing them to sink or swim in the regular curriculum, has resulted in a high drop out rate and low overall academic achievement, " Rep Keith observed. "The Bilingual Education Act will stress the concept of bilingual, bicultural schooling, in which two languages are used as media of instruction. The linguistically handicapped child will be. able to progress without demoralizing grade retention by learning the 'three R's' in his native tongue while mastering English as a second language."

Not only the children, but their parents as well, will be able to learn the culture and language of their adopted country while retaining contact with and an appreciation of their native tongue and customs. And, the mingling of the bilingual children with native-born Americans will result in a bridging of culture

and language gaps. "Well educated, bilingual citizens will be an incalculable asset to the entire American society -- and the country will be one step closer to its goal of equal opportunity and equitable treatment for all Americans," Congressman Keith concluded.

Field - Hiller Wedding

MISS FIELD BRIDE OF MR. HILLER

Miss Penelope Field, daughter of Selectman and Mrs. John Field of Neck Road, Mattapoisett, became the bride of Mr. Charles Hiller, son of Mr. and Mrs. Ira Hiller, 2nd, of Water Street, Mattapoisett, at the Mattapoisett Congregational Church. The bride was escorted to the altar by her father. The Rev. Paul B. Myers performed the double ring ceremony. A reception followed at the home of the bride's parents.

Mrs. Peter Duff was matron of honor for her sister. Bridesmaids were Mrs. Richard Roberts, Mrs. Ira R. Hiller, 3rd, sister-in-law of the bridegroom; Mrs. Robert Urion and Mrs. Thomas Tilden. Martha Duff was flower girl for her aunt.

Best man was Ira R. Hiller, 3rd, brother of the bridegroom. Ushers were Richard Roberts, G. Ronald Winters, William Field, brother of the bride; and David Todd, Jr., cousin of the bride.

DECLINE IN MEASLES

The 1966-67 measles season is over. The Department of Public Health is happy to report that due to the efforts of local boards of health and private physicians measles has had a sharp decline. During the past three seasons there has been a 98.5 per cent decrease. Clinic and Public Health medicine have a right to be proud of this record.

The next measles season begins in four months. Now is the time to immunize as many pre-school children as possible. Why wait? The goal of the Department of Public Health is to eradicate measles by June 30, 1968.

YWCA NEWS

If plans now underway develop, the YWCA should be an Art Center this summer with new classes starting for both children and adults. On July 1, the paintings and drawings of the Saturday Creative Art Class will be exhibited in the Y lobby from 12-5 P.M. Parents, friends and the public are cordially invited. Mrs. Margo Volterra and Miss E. Marie Francis are the instructors in charge.

Two art classes for men and women start in July, with seven sessions each, planned to accommodate adults on different schedules. The Monday class will meet on Mondays from 7-9:30 P.M. and the Wednesday morning class time is 9:30-12. Classes start the 10th and 12th respectively.

Two new classes are scheduled for children from 8-14 years of age. One begins Saturday, July 8th, and the other Thursday, July 13th. Both are from 9:30-12.

Mrs. Margo Volterra announces that the program is creative and will be adapted to the students interest. Call the YWCA for further details.

Red Cross Life Saving Classes will be offered in September for both juniors and seniors. Registration is open now for these, and for summer swim classes for beginners, both adults and children.

Mrs. Vance L. Eckersley, chairman of the YWCA Next-To-New Shop executive committee, entertained the committee members at her home. Present were Mrs. Erma DeBoer, executive director of the YWCA; Mrs. George C. Bruce, Mrs. Chester H. Jason, Mrs. John T. Humphrey, Mrs. Chester S. Howland, Mrs. John R.

WATERING TROUGH FLOWERS

The hewn granite watering trough on Water Street, Mattapoisett has been cleaned out and planted with flowers by two Mattapoisett young people, Tracy Locke and William Hayes.

This spot of color on Water Street has been seen and enjoyed by many people since it was completed about a month ago. This spontaneous gift to the town has been appreciated.
